We look forward to your participation in this informative discussion.

In accordance with industry standards, Depomed complies with the PhRMA Code of Conduct on Interactions with Healthcare Providers (HCPs). In accordance with these requirements for promotional and educational events, Depomed is not permitted to pay for the meals for spouses or guests of HCPs and such individuals may not attend the event. In addition, as required under certain state laws (such as Minnesota, Massachusetts and Vermont,) and as required by certain government agencies (such as the Department of Defense and the Department of Veterans Affairs), restrictions prohibit or limit the provision of free meals and other gratuitous items to HCPs. If you are licensed in any of these states or affiliated with such government agencies, please act in accordance with such restrictions and note that Depomed intends to comply with such restrictions. The value of the meal provided in connection with the program will be reported by Depomed in accordance with applicable laws, including, without limitation, the requirements of Section 6002 of the Patient Protection and Affordable Care Act (Physician Payment Sunshine Act).
